Learn german language book. Learn german books for beginners. Learn german books pdf.

So whatever your doubts, I will make sure you have them clarified quickly so that you can move on with the lessons. Students who don't see the need to ask questions or for whom the option with personalized feedback is too pricey, can go through the course with the lite membership, which does not include personal support. But if you want to understand the underlying structure of the language so that you can actually make your own sentences and even go a bit further, then it will be perfect for you. We will constantly review the concepts seen earlier and do many, many exercises until you are able to do them in your sleep. Other video courses only contain grammar explanations and you are a passive listener. It is more important to study a bit, but on a regular basis, than learning for two hours once a week. If you have more time or if you are not a beginner and just want to review some aspects of the language, then, of course, it is possible to go through the course quicker. Try to do a little bit of German every day and you will be amazed by the results! Will I receive a certificate? However, the priority of topics varies a bit. For example, in textbooks, the adjective declension and sentences with "weil" (because) and "dass" (that) are usually taught a bit later in the curriculum. For each level, you will have to invest about 35 hours for my videos and some additional time for homework and review. I developed the curriculum when I was taking my one-on-one students from speaking no German at all to speaking it fluently. The whole course progresses naturally and logically, with clear explanations and many exercises to practice. In that type of courses, you might be able to quickly pick up some phrases that will be useful on your trip, but they won't give you the power of creating your own sentences and you probably won't understand what people answer back. So, it depends on the level of understanding and autonomy you want to reach and the time that you can invest for learning. Les avis clients, y compris le nombre d'articles du produit, aident les clients à en savoir plus sur le produit et à décider s'il leur convient. Is there a free trial or money back guarantee? It will lead you to being able to make sentences yourself and to speaking the language with confidence. They managed to express themselves well, to say everything they wanted to say, but they kept making a lot of mistakes. It corresponds to level A1 of the common European framework and covers the most important parts of grammar you will ever need in the German language. However, there is work involved. Every subscription includes full and immediate access to everything available on the website, 700+ videos (100+ hours of content), pdf and audio files in the video course (currently "A1 - beginner", "A2 - elementary" and "B1 - intermediate"). You will also be able to see everything inside "Comprehension", "Short texts" with vocabulary lists, downloadable audio files and worksheets. I tried to design the course for you to have an experience that is as close to having a one-on-one tutor as possible. Is there any support as I go through the course? During my one-on-one classes, I have always had students from intermediate levels B1, B2, or even more advanced, who had a lot of gaps concerning very fundamental grammar. What is the video course like? Les avis sont également analysés pour vérifier leur fiabilité. Once you are subscribed, you will see a comment section at the bottom of each lesson page. If you want to be able to make your own sentences and be able to express most things you want to say on your trip, then yes, the course is for you. I love to answer all my students' questions. You can also send me sentences and short texts for correction (course-related). With the "advanced beginner" part, you will be comfortable with the A2 exam as well. And who knows, you might like it so much that you just keep learning until you speak it fluently. What does my subscription include? It is not one of these courses which teach you sentences to say in different situations and that you should learn by heart. We will do exercises together and slowly, step by step, increase your level of German. The course is very complete and will give you a profound understanding of the German language. Is the course suitable for advanced learners? Jeder Tag ist eine neue Chance, das zu tun, was du möchtest. Every day is a new chance to do what you want to do. Friedrich Schiller Learn German! I will then take a look at your

navigation history and if I can see that you really actually did the work, you will receive your certificate of achievement. So, if this sounds familiar to you, then yes, the course is also for you! I just want to learn a bit of German for my next trip to Germany. You can pay by Paypal or credit card. For all materials, you will find a downloadable worksheet and audio file to be able to learn in places where you don't have access to the internet or for when you just don't want to be sitting in front of a screen. The course is made up of video lessons, but you are not supposed to watch them passively. Thank you for your understanding and support. It cannot be used for formal accreditation as German to Go is not an accredited institution, but you can still show it to your friends, family and colleagues. The course is a video version of the one-on-one lessons I have been developing and teaching in the last 15 years. It's a mix of clear grammar explanations, many interactive exercises, role plays, cultural topics as well as texts and German music. Each Level on Germantogo.com actually covers more than what the European Framework for Languages specifies. The first part of the course covers everything you need to know to reach a good, basic German - including asking questions, giving and understanding directions, reserving a room, understanding a German menu and so many more things. Once you complete a level on this website, please send me a short message. Is the course suitable for complete beginners? In the beginners' stage, you will never be exposed to overly complicated and unnecessary words and sentences. Is the course suitable for me? Those who wish to ask questions and have sentences and short texts corrected, can sign up for the premium membership. However, you will be able to see all questions which have already been asked and which will be asked during the time of your subscription. I consider them to be very fundamental and useful, so I teach them very soon in the course. Nevertheless, the levels A1, A2... Yes, there is a money back guarantee. If you decide this program is not for you, you can get a full refund on annual memberships if you cancel within 14 days. are indicated as a reference and for exam preparation. Yes, the course is absolutely suitable for complete beginners. What are my payment options? You need to play an active part by saying the answers to my questions out aloud so that you can get used to actually SPEAKING German. You get to participate and SPEAK yourself. There will be enough time for you to formulate your answers before I give you my correct version. You will actually SEE me in each video. You can watch all "Short videos" (commented street scenes) and in "short stories", you will also see a vocabulary list and downloadable worksheets and audio files. En savoir plus sur le fonctionnement des avis clients sur Amazon How is your video course different from other video courses? This is the minimum time investment I recommend. How much time will it take to go through the course? As a "lite" subscriber, you will see all questions that have been and are asked by "premium" subscribers. If you are looking for a course that teaches you "yes", "no", "where is the toilet?" kind of phrases and only want to invest two or three hours of learning, this course is not for you. Please note: refunds will not be given to those who have downloaded more than 2 weeks' worth of PDF worksheets or other resources. It will depend on how much time you can invest to do the course. The "step view" is designed in a way that you can complete one level in less than 6 months by doing only 15 minutes of German on six days of the week. Au lieu de cela, notre syst me prend en compte des  lements tels que la date r cente d'un commentaire et si l'auteur de l'avis a achet  l'article sur Amazon. Each lesson of my course builds up on the previous lessons, in terms of grammar and in terms of vocabulary used. No other German video course on the internet is as well structured and versatile as this one. Even if you are a complete beginner, you will be able to follow without getting lost. The course roughly follows the European Framework for Languages. Pour calculer le nombre global d' toiles et la ventilation en pourcentage par  toile, nous n'utilisons pas une simple moyenne. Either they learned the language on their own and skipped important rules, or they attended a course in which the teacher moved forward too fast and didn't leave the students enough time to really internalise basics like the declensions, the past tense, word order etc. In my one-on-one classes, the material was always tailored to my students' personal needs and with many advanced learners, I actually went through A1 topics to start filling these gaps. Does the course follow the European Framework for Languages (A1, A2, B1, B2, C1, C2)? As a "premium" subscriber, you can also always ask me your questions. Here, it's not just a mere series of disconnected grammar or vocabulary videos. The materials for level B1 will prepare you for your B1 exam. You will have access to all materials that will be published during the time of your subscription. In addition to all this, the "premium" subscription will allow you to ask me all questions that might arise during the course. There is also a big section full of authentic texts recorded by native speakers. The "beginner" part of the course will lead you from zero German to being able to complete the language exam for level A1. Just email me at info@germantogo.com and tell me why you would like to have a refund.
